EDMISTON - WORLD LEADERS IN YACHTING

# SANLORENZO

**NEW CHIC,  
NEW YORK**

**SANLORENZO HAS BEEN BUILDING YACHTS IN VIAREGGIO SINCE 1958. TRADITIONAL SEAFARING QUALITIES AND ITALIAN STYLING HAVE EVOLVED OVER THE YEARS AND 92FT RETRO BLUE IS A MASTER CLASS IN THE BEST OF BOTH. BUT SHE IS SO MUCH MORE BESIDES.**

Here is a yacht that epitomizes New England style – Cape Cod, the Hamptons and Nantucket. The 'Cappuccino' coloured hull, generous proportions and teak decks set the scene: sand dunes, a sparkling sea, good food, warm sun and fresh air.

## **YOU CAN'T BEAT THE EXPERIENCE**

Sanlorenzo and Edmiston have the pleasure of welcoming you and your guests on board SD92 'Retro Blue'.

From June, she will be in Manhattan before cruising East Hampton where she will be based for the early summer. By prior appointment, Edmiston can offer interested clients an exclusive inspection tour. It is a rare opportunity to see a yacht in this 'city' location.

Retro Blue has a large flybridge with dining and lounging areas as well as a helm station. The main deck has a second outdoor dining area off the salon.

The inside is chic and bright with the atmosphere of a casual, New England yacht club. Huge windows, tinted for privacy, provide panoramic views. Naturally the entire yacht is air-conditioned and has every contemporary comfort factor from flat screen televisions and LED lighting, to large fridges and a superbly equipped galley.

Marty Lowe's interior design salutes European heritage, Italian craftsmanship and American style. White linen sofas, Berber carpets, Hermès chairs, bleached wood cabinets, navy and phthalo blue detailing. The large, open saloon with a dining area leads through full-height glazed doors to the aft deck – a superb space big enough to entertain 20 guests. A full-beam master suite is on the main deck with a full-beam VIP and two twin cabins on the lower deck.
