

# THE PAPARAZZI, THE GLITTERATI AND THE COGNOSCENTI: WELCOME TO CANNES 64

As spring approaches, there is one event in particular that is creating a buzz in the Riviera. From the 11th to the 22nd of May, the Festival de Cannes hits the Côte d'Azur for the 64th time, and still remains the place to be seen in the spring. With Robert de Niro already announced as the 2011 President of the Jury, this year is set to be better than ever, with an already impressive line up of premiers, parties and people.

What better way to make an entrance than to charter one of Edmiston's greatest entertainment yachts? Sip champagne on the sun deck and watch the world go by during the day, or host the most lavish of cocktail parties by night.

With highly professional and attentive staff, Pure One offers a choice of different areas onboard for dancing, drinking and dining, and is able to host up to 40 guests, making her the perfect yacht for entertaining at this year's Cannes festival. Her strong, sleek exterior lines disguise opulent interiors, which include a fully-equipped media room and a luxuriously large saloon in amongst her five comfortable cabins. As high-powered as she is elegant and stylish, Pure One is one of the most rapid yachts of her generation, capable of speeds of up to 35 knots. Enough to get anyone noticed.

Apache II is dynamic and futuristic on the outside, spacious and comfortable on the inside. Boasting five luxurious cabins, a dining room with extendable terraces to port and starboard and a transparent awning to minimise wind on the sundeck, Apache II is extremely well suited for private parties of all sizes. Up to 100 guests can dance on board and if something a little more intimate is desired, she can host dinners for anything between 12 and 38 people. Apache II offers entertainment at its absolute finest.
